ПРОЕКТ:

МОДЕЛЬ:

CR10-G (380 V)

КОЛИЧЕСТВО:

СОГЛАСОВАНИЕ:

ДАТА:

17.04.2026

CR10-G (380 V)

Recommended retail price: 439 900 rub

Technical specifications

| | |
|-----------------------------------|-------------------------------|
| Number of levels: | 10 |
| GN1/1 or EN 40x60 guide rails: | + |
| Distance between guide rails, mm: | 68 |
| Dimensions: | 800x860x1620 |
| Temperature in the room: | down to -40°C |
| Case wall thickness, mm: | 61 |
| Power supply system, V/Hz: | 380 V (400 V) /50 |
| Refrigerant: | R404/R452 |
| Defrost type: | automatic hot gas |
| Thermostat: | multifunctional control panel |
| Cooling: | +90...+3°C |
| Cooling time: | 90 min. |
| Mass of cooled product, kg: | 36 |
| Soft cooling mode: | + |
| Rapid cooling mode: | + |
| Weight of frozen product, kg: | 25 |

| | |
|--|---------------------------------|
| Freezing time: | 240 min. |
| Freezing: | +90... - 18°C |
| Soft freeze mode: | + |
| Rapid freezing mode: | + |
| Thermocouple: | + |
| Fish sanitation: | + |
| Ice cream hardening: | + |
| Material of the interior cladding of the body: | stainless steel |
| Placement of gastronorm containers/trays: | On rails for GN1/1 and EN 40x60 |
