TD103-Bar without table top

Recommended retail price: 113 300 rub

Three-door bar cabinet models are designed to keep drinks fresh in bars, restaurants, cafes, cafeterias, buffets, etc. The bar model without a table top is ideal for incorporation into bar counters, wall modules and other constructions, including those with limited air access. Vertical illumination, hinged doors with double-glazed windows in aluminum frames provide high quality demonstration of drinks and convenience of use of the models.
