CRp3-2/3-L

Technical specifications

Number of levels:	3
GN1/1 or EN 40x60 guide rails:	+
Distance between guide rails, mm:	80
Environmental conditions (t, °C / humidity, %):	up to +35/ up to 60
Dimensions:	695x660x470
Temperature in the room:	down to -35°C
Power supply system, V/Hz:	230V/50Hz
Refrigerant:	R290
Defrost type:	compulsory
Thermostat:	electronic unit
Cooling:	+90...+3°C
Cooling time:	90 min.
Mass of cooled product, kg:	11
Soft cooling mode:	+
Weight of frozen product, kg:	7
Freezing time:	240 minutes.
Freezing:	+90...- 18°C
Rapid freezing mode:	+

Thermocouple:	+
Placement of gastronorm containers/trays:	on rails for GN2/3

The manufacturer reserves the right to make changes that do not fundamentally affect the operational properties of the equipment without prior notice.
